"A great CD from an important new artist ... possibly the most uncompromising lyricist in music today" - Victory Review 10 MP3 Songs FOLK: like Ani, FOLK: like Joni Details: "Buffy Sainte-Marie after a night of bourbon." - The Stranger Weekly, Seattle "A true folk offering from a genuine folk artist" - Folkcrunch Online "Simple and Stunning vocal and guitar work." - Album Buzz "Charlotte is a real-folk folk artist - there's nothing recycled. Her voice and her words - quirky, serene, then suddenly a holy siren - come straight from the guts of a re-engaged sentiment in American thought." - Craig Peritz, KGPR Public Radio, Montana Biography: I have no big aspirations of stardom. I just love singing and playing for a live audience. This summer, I'm looking forward to my second year performing at the Oregon Country Fair. Right now, I'm going to school, putting together a band, and playing occasional local gigs in Washington and Oregon. In the past, I've performed at the Bumbershoot Arts Festival, the Northwest Folklife Festival, the Spokane Fall Folklife Festival, the Pike Place Market Buskers' Festival, Seattle Hempfest and The Fremont Fair. I've also toured in Montana, Oregon, Washington and western Canada, and have appeared in the concerts of both the Seattle and the Palouse Folklore Societies.
