Details: My name is CHIFFON. I am a hip-hop, r&b game and music/fashion industry type lady. I have always had a passion for fashion aswell as music. I love to dance, rap, sing, and converse with others. I'de like to explore actng aswell. Ever since a child I always was determined to achieve anything I set my goal upon. We all have the ability to succeed with all things possible by believing in JC and yourself! I attended most of my school years in Brooklyn, N.Y. I went to Boys Girls High then transferred to Peekskill, N.Y. I moved on my own at the age of 15 then had my first apartment at 16. I went to cosmetology school where I graduated top of my class. I then worked my way in the hair and fashion industry to become the owner of Chiffon Hair Technique. I've made many lives happy throughout the years and now I focused on my heart desire which is the entertainment industry. I decided this is my time to do my goal in life...introducing my life long dream...CHIFFON ITS ALL GOOD album debut! I have a sound of sexy thug with a twist of raspy smooth. Our beats PRODUCED BY MEL BOLDEN are very captivating to the ears! You can't resist to bop your heads to this! my goals at this point in life is striving past the success in my life that i have already achieved, staying humble, and continue to help others achieve their goals in life aswell. i'm a beautiful person iinside, which brings it outside. helping others and yourself should be how everyone thinks.
