Inspired by the wide-open ranges, rolling wheat fields and agrarian upbringing on his familys farm in Dos Palos, California, Cody has filled his life with music. Codys interest in music began when he was a young man. Id ride in the tractor with my dad and wed listen to country music singing along to every song on the radio. Musical roots ran in the Sumpter family. Codys father played banjo in a band while his mother sang at church and eventually, so did Cody. The songs, drawn from personal life experiences, were recorded and written by Cody collaborator/producer Joe Goodman.
