

Mp3 Dalmacio Von Diamond - The Other Side Of Darkness

[DOWNLOAD HERE](#)

Literate, dark, and introspective pop songs. 10 MP3 Songs in this album (31:08) ! Related styles: POP: Chamber Pop, POP: Noise Pop People who are interested in Pulp Nick Cave Scott Walker should consider this download. Details: Far from the noisy stuff usually associated with his familiar Smell scene, Von Diamond's album, recorded with the help of drummer Luis Perez, is literate, dark and well, makes me introspect the way Nick Cave's music does. Von Diamond calls the work "simple pop songs in the vein of Scott Walker or the Divine Comedy." But they feel anything but simple. (LA BUZZBANDS By Kevin Bronson) Dalmacio Von Diamond's Music is for the masses.
