

Mp3 Fr/action - Crimes Of The Future

[DOWNLOAD HERE](#)

Technopop with a vengeance. 10 MP3 Songs ELECTRONIC: Dance, ELECTRONIC: Industrial Details: Fr/action is a new technopop artist that brings a style of its own to the genre. Combining the best elements of electro, EBM, and synthpop, Fr/action specializes in dark melodies, tight sequences, and beats ready to explode on the dance floor. Coahaagen Music is proud to present Fr/action's acclaimed debut album, "Crimes of the Future." With lyrics that take you on a journey of vigilantism, street crime, and nocturnal urban decay, the CD is a concept album that contains many songs with the potential to become future club staples.
