"Flavor rock," commercially challenged music that'll grow on you. Forget what you already know about Orlando 'pap' and infect yourself with the funkUs debut release. 9 MP3 Songs ROCK: Jam-band, ROCK: Psychedelic Details: We are not a funk band. We are a state of mind, a kind of music that, much like a fungus, will grow on you. Get it? We are all about the spirit of music, the atmosphere and reactions it creates, the energy, the movement, the feeling, the flavor, the love. All of these things are a result of years of experimentation and research that has been named "flavor rock" by a local Orlando publication. We are a collaboration of some of Orlando's finest musicians in search of something new, something different, something fun. Kind, flavorful, commercially challenged grooves... We are funkUs. Live, local, sweaty! Get infected! The players: Ron Betts - vocals, guitar Dave "the cat" Mann - vocals, guitar John "Mojo" Jones - vocals, bass Adam FreeMan - drums, percussion Jim "Mad Dog" Mahoney - vocals, guitar Chris "The Iceman" Raynor - vocals, harmonica, guitar, trumpet, percussion Clay Watson - trombone, percussion Chris Charles - assorted saxophones and woodwinded type things Bongo Willie - the bongo
