Ol'School Dayton Funk with smooth jazz on top. 10 MP3 Songs JAZZ: Acid Jazz, JAZZ: Smooth Jazz

Details: This title represents my metaphor for lost time...picture a hourglass, now you got it. Glenn Alves a self taught guitarist whose work with cover bands in the southwest Ohio area had him onstage opening for several major label acts over the years. Spilled sand, his fourth independent release finds him expanding his ol' school Dayton funk with smooth jazz guitar on top sound with a bunch of subtle textures to bring his own twist to smooth jazz. Enjoy...and please be so kind as to write a review and pass on what you think...Onelove&peace2allyoureendeavors/G. Check out my other releases @
