An eclectic mix of electric folk, experimental, and traditional. Tom Petty goes country, plugged in... 14
MP3 Songs FOLK: Power-folk, ELECTRONIC: Pop Crossover Details: j v m is John Vincent Modaff, solo
artist, producer, studio owner/operator in the Appalachian mountains of Eastern Kentucky. John appeals
to listeners who like variety, a good story, solid song structure, and excellence in digital sound production.
Singer, songwriter, player of many instruments, Modaff's latest work includes tracks from diverse genres:
power folk, experimental, soundscape, electronic, rock, blues, and even a touch of bluegrass! How could
it be any other way in KY? Modaff operates a l p h a w a v e audio production, can be emailed through:
john@alphaudio Modaff also hosts and produces the wildly popular weekly podcast "AlphaAudioBox"
available in archive form at alphaudioor through the RSS feed: feeds.feedburner.com/AlphaAudioBox a l
p h a w a v e motto: "Play loud and often."
