Songs Details: Since I began playing the viola as a child, music's compelling and transformative power captured me and shaped my life. My deep life-long connection to nature and spirituality and my interest in integrating otherwise varied influences make me a unique musician and holistic healer. My passion is to share the beauty and power of music with others and to teach people how to participate in their own healing process using music as a tool. Thank you for your interest, please visit my website (karenolson.com) and share in this process of evolving dreams. My bio: Karen Olson combines her background as a professional violist, Reiki master and holistic healer to offer various programs that empower the body, mind and spirit. Karen holds a Bachelor's Degree and a Master's Degree from The Julliard School, a Master's Degree from Yale University and a Ph.D from New York University . Karen is a member of the New York Pops and has performed music throughout the world. She is a recording artist, a certified Theta Healing practitioner and teacher, and a HealthRhythms graduate. "Karens music touches my soul. Waves of love and emotion flow outwards, enveloping all who hear her play. Her music speaks directly to the heart, opening and releasing emotions, filling the heart with love. Her music invokes a deep soul awakening, joy, purity, and healing for all to experience. Soar with her as she plays.... Thank you Karen for bringing your gifts to the world! ..Theresa Popiolek, Faery Artist" Copyright 2007 Karen Olson
