

Mp3 Marc Leblanc - Compilation #6

[DOWNLOAD HERE](#)

Piano melodies to quiet the heart. 12 MP3 Songs EASY LISTENING: Mood Music, CLASSICAL: New Age Details: I was born in a small town north of Maine, on the Canadian border. I do play in churches once in a great while, as much as I get the opportunity. I love to play because it takes my mind off the worries of life. I think my compositions reflect this very well. I hope you enjoy this album. Sincerely, Marc
