Techno Guitar Techno/Rock 12 MP3 Songs ELECTRONIC: Experimental, ROCK: Progressive Rock
Details: Welcome Back to the World of Guitar This American West Coast, Guitarist has engineered, arranged and produced this CD. All Music and images were recorded and edited digitally by him on a PC. All musical parts were simulated with a guitar synthesizer or played with a vintage Stratocaster to demonstrate that a Guitar can synthesize ALL instruments as well as a keyboard. This collection is just the beginning of the new era of email Romance, Cyber Laws and the constant new ways of living on line.
