Country between "Traditional" and "Contemporary" with a message that's easy to listen to 12 MP3 Songs
COUNTRY: Traditional Country, COUNTRY: Modern Country Details: Michael Anderson is a native Texas songwriter. The songs that make up this album were written and recorded by Michael and, as with most songwriters, they reflect moments and experiences that make us feel the pulse of life. Born in Abilene, Texas, Michael has brought the influences of independent thinking into his original songs. They put experiences we all have known into word pictures that can make one laugh and cry. His music is easy to listen to and moving at the same time, a quality not always found in today's country music scene. One fan wrote regarding one of the songs on this album, "the meaning becomes clearer to me each time I hear it".
