calm ambient music with contemporary chillout beats featuring male and female vocals and instrumental grooves. 15 MP3 Songs POP: British Pop, EASY LISTENING: Mood Music Details: Mike K has been writing and playing music for some 25 years, a songwriter/producer, and director of Studio 17 a small vocal recording Studio covering most genre of music, all original songs written by himself, with lyric and vocal co-writer collaboration. He seriously started out in 1999 writing playing and producing Euro dance, trance, electro, music for Classic Pictures Entertainment Ltd, Shepperton Studio's, writing and producing four dance albums. Born in Greater London and deciding to enlist eventually in HM Forces as a musician, where the training for both musical and physical were arduous to say the least, and toured with the band for a good many years until the demise and dis-bandment, (no pun intended) of the Military bands, finally departing from HM Forces to see what else was out there in the big wide world. Having spent a few years touring Europe and England as a DJ working in clubs such as The Big Eden, Berlin, The Riverboat, Room at the Top, London (etc) and running a mobile DJ unit, then having the foresite to depart the smoke (London) for the more tranquil surroundings of the Yorkshire country side to pursue his first love music composing, producing and writing. Then finally relocating to a small village in the depths of the Yorkshire wolds and getting a publisher on board started to write and produce a wider range of musical genre: RnB, rock/pop, country, folk, ambient, new age, easy listening, electronic, dance tracks, and gospel, plus five songs for the "Vision of Peace" Album of various artists soon to be re-leased in 2007, to the compilation album "Chasing Rainbows" you are listening to, and there will be many more, so watch out for more from Mike K, emotional music with haunting melodies, both instrumental and vocal, to pick you up and ease away your stress.
