

# Mp3 Mike Strickland - My Favorite Things

[DOWNLOAD HERE](#)

Mike adds a magical touch to these beautiful contemporary melodies. A number of the selections feature Mike's solo piano while others are supported by some wonderful musicians. 10 MP3 Songs EASY LISTENING: Musicals/Broadway, POP: Piano Details: After performing for over 25 years, I wanted to record my favorite and most well-received songs, thus the title: My Favorite Things. This recording contains a collection of great music by some wonderful composers: Andrew Lloyd Webber, John Williams, Michel Legrand, Vince Guaraldi, and Lennon/McCartney just to name a few. Some of the songs are solo piano while for others I invited some wonderful musician friends into the studio. I'm very pleased and proud to present to you some of my favorite musical things. Enjoy the music!
