Details: N4REDD is one of the most tightest Rap groups out of the midwest: Gary, Indiana, a/k/a "GI". While visiting Chicago, Illinois, George Clinton sought them out to do a track with the group which is included on this CD. Also includes, the track done for the boxer, Angel Manfredy, which aired on HBO during the Manfredy v. Gatti fight. Affiliated with LakeEffect Records. If you like Tupac, Eminem, Nelly, 50 Cent and other midwest artists, you'll love this group. Project has Dre like beats from raw producers. It's taken a while, but the music industry has finally recognized that the Midwest has artists who can step up to the plate like the big boys. You will not be disappointed. Our tracks are very tight and professional.
