Will Rogers Award Winner, R.J. Vandygriff sings a collection of great westerns songs, old and new. A who's who of Nashville pickers combined with one of the best western singers anywhere makes this CD a must for everyone. 19 MP3 Songs COUNTRY: Western, FOLK: Traditional Folk Details: R.J. Vandygriff is a real cowboy, recognized around the world as one of the best western singers to ride down the trail in a long while. He is an award winning singer/songwriter/poet who lives the life of the cowboy everyday on the high plains of the Texas panhandle when he is not performing concerts or the one man musical comedy play, The Cowboy Aint Dead Yet!. R.J. has appeared at western music festivals and gatherings from Elko, NV. to Lubbock, TX. and in theaters from Branson to New York to London. He handles a song and a guitar as well as he handles a horse and a rope. Nashville producer, Ronny Light gathered the best pickers in Music City to play the hottest licks on these sessions. DJs one and all agree this is by far one of the best cowboy CDs ever recorded. Volume II has something for everyone from tender ballads, to western swing to great western classics like Back In The Saddle Again. Joe Texas adds some of his best saying as well. A little extra bonus you might say. If you not a fan of western music you will be after you hear this CD. This is a CD of western classics and modern western songs penned by the best songwriters in the world today and sung by a cowboy thats been compared to Roy Rogers, Gene Autry and Marty Robbins.
