Mp3 Sam Bardin - Down To Earth

DOWNLOAD HERE

An ambient/tribal-ambient/techno-tribal excursion designed to relax and focus the mind. 7 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Soundscapes Details: I started out recording piano music under the name Blind Prodigy. Currently, I am working in the ambient-electronic genre. "Down to Earth," my second ambient album, is my first all multi-track album. It starts out ambient, and progresses towards tribal-ambient and techno-tribal. The long drones are relaxing and the grooves in mid-album are trance inducing. It winds down and finishes with a light, airy, ambient atmosphere. Recording this album has taught me a lot about music. My future projects will build on this knowledge. Great things are to come! People who are interested in Steve Roach should consider this download.
