Professional music for kids and adults like this is rare to find." (To the Bone, website for indie labels) "This production sparkles with care and quality. The Cat's Pajamas have become the most polished act in the Philly family music scene." (Mike Miller, Phila. Folksong Society review) "The Cat's Pajamas makes great music for everyone in the family - even dads. Listen to them and you'll find that common ground where all humans live and play - regardless of their age. It's a great place to be." (Bill Harley, children's musician, story-teller, NPR commentator) "I can listen to The Cat's Pajamas' songs with the kids over and over again and they don't make me nuts! Thank you!" (a parent)
