Los Angeles (East Hollywood) based purveyors of an Indie-Pop power punch that is destined to quench your addictive musical thirst. 12 MP3 Songs POP: Power Pop, ROCK: Modern Rock Details: Why you gotta know about the Fizzies past, huh? You diggin' for dirt? Lookin' for a scoop? Writing a tell-all novel? All we're saying is who cares if David almost got beat up one time for trying to get bikers at a leather bar to "get down and get funky" to the Vienna Boys Choir? Does it matter how many days it took Dave to lose a bet that he could go without drinking for three weeks? Answer: less than 24 hours, case you were wondering. So what if Scotty uses so much hair product the Ulta girls know him by name? They're hot! It's cool. And really, who cares what country Balazs is from and how you actually pronounce his name? (No, seriously, can you put a "z" there?)
