British Pop, Beatles-Pop, Indie 6 MP3 Songs POP: Beatles-pop, ROCK: Acoustic Details: Remember pop music? You'd get a new record. Unwrap it, smell it, put on some headphones. You'd turn the volume up real loud, louder than it probably should have been. And then you'd listen to the record until it was over, skipping no songs, playing it in its entirety. Afterwards you'd feel quite satisfied, something a complete record was supposed to do. When was the last time you did that? Pop music, meet The Redbirds.
