

Mp3 There There - Pop: Today's Top 40

[DOWNLOAD HERE](#)

Electronic pop for people who aren't dumb dummies 10 MP3 Songs POP: Today's Top 40, POP: with Electronic Production Details: There There is the brain-child of John Torres, a Los Angeles native singer/songwriter who has performed professionally for the last several years in the U.S. and abroad. He has recorded with world famous writers like Steve Porcaro (of "Toto" fame, and Guy Roche (Christina Aguilera) and has also performed the lead roles in multiple successful musical theatre productions such as bare: a pop opera, and Rock of Ages. Torres teamed up with Guitarist, Producer, and long time friend, Tim Kobza to produce this record. The goal of the project is simply to inspire listeners with hopeful, and catchy songs that have energy and speak truth. There There is currently in the process of planning it's first tour! Enjoy For more info: myspace.com/theretheremusic
