Hard drivin' old time music and beautiful vocal harmonies. 16 MP3 Songs COUNTRY: Old-Timey, FOLK: Appalachian Folk Show all album songs: Dance All Night Songs Details: Tiger Maple String Band is an energetic collection of talented musicians dedicated to continuing traditional and original old time music. Residing in Northwest Pennsylvania, our rural setting gives plenty of inspiration towards the continuance of acoustic music. This acoustic group consists of seven talented musicians. The sound of Tiger Maple String Band has historical values and full body richness that only acoustic instrument music and clear vocals can bring. The band welcomes challenges from a variety of different musical directions. Starting with Old Time Appalachian fiddle tunes, folk Ballads, and original tunes, the band always leaves the crowd with lots of smiles, good vibes and wanting more heart-felt music. Upbeat rhythms and big smiles are what we bring to every show. Tiger Maple strives to keep the listeners' toes-a-tapping and fingers snapping for hours. We have played at many festivals throughout the east including the Great Blue Heron Music Festival, Mt. Airy Fiddlers Convention, Appalachian Stringband Festival, and Edinboro Art and Music Festival just to name a few. We have also opened up for many great bands including Donna the Buffalo, The Avett Brothers, The David Nelson Band, and Big Leg Emma. Hope you enjoy our music and drop us a line [tigermaplestringband](#) see around.
