A big fan of Brenda Lee Elvis Presley's Christmas Music, Tim's new Holiday CD is filled with the same styles of Country Pop Christmas tunes. 12 MP3 Songs COUNTRY: Country Pop, POP: Folky Pop Details: I grew up in the cold southern part of Missouri, near the Ozarks. Every Christmas was white and offered something to do in a small town of 205. The sounds of Brenda Lee and Elvis Presley filled the holiday air when I was young. I knew every word and every year I longed for the time I could take those 8 tracks and LPs out to play. Since a child, I have wanted to record a Christmas Album. In October 2005, My good friend Patrick Kenney was struck by a car and lost his life. Patrick and I spent many a Christmas together. We both bathed in the idea of making a Christmas CD one day. The loss of my friend made me realize I should wait no longer. Life is short and should be lived. So here it is. My first Christmas contribution. I hope you enjoy it as much as I enjoyed making it. Patrick, I know you'll be listening. I would like to thank the wonderful and talented musicians who performed on this project: Jason Hawks, Norm Sancho, Jane Bolduc, Ed Tree, Jerry Peterson, Skip Edwards, Teresa James, Candy Girard, and the "Merry Little Xmas" Gang: Paula Stoeke, Mark Islam, Cheryl Sklar, Jane Bolduc. A special thanks to two people for whom I would not have gotten this project done so soon if they had not held me to task. Jane Bolduc, I am honored and blessed to be in your presence. Thank you for calling and pushing me to "Get it done". Check out Jane Bolduc music here on CDBABY as well. She is a great artist with a wonderful writing style. Where is my Kamakazi? Brian Houck, thank you for believing in me and the music. You're a light and joy in my life. Thank you for the gift of your smiling face every morning. Merry Christmas to everyone. Tim
