Ten talented artists playing original ambient music on the Serge Modular Synthesizer. 10 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Experimental Details: Thanks for stopping by. In 1983 Serge Modular Music Systems produced a demo cassette featuring many talented musicians playing the Serge Synthesizer. Recently a few Serge fans got together and thought, wouldn't it be cool if we did another Serge compilation and released it on CD! This is the result. Ten people from Europe, Asia, and America contributed to this fun-packed CD. The music is a variety of styles with a generally ambient/experimental flavor. The Serge Synthesizers you hear are from every era, from 30 year old systems to brand spanking new. The musicians are: Kyle Jarger Byron Jacquot John Loffink Blake Wilson Telomere (Chris Macdonald) m/n/m/l (John Papiewski) julien Nick Wilson Michael Firman Frank Moreno and Andre Stordeur Enjoy it NOW!
