Reborn moments after Queen Isabella of Spain ordered her lover's death, Santos accepted eternal life in exchange for protecting humanity. For centuries, he's kept himself secluded in a hillside mansion. But all that changes one night when he takes in a woman who claims to have seen him in a vision. A dire prediction has convinced Erin Brady she will be murdered on her thirtieth birthday and that Santos is the only man who can help her. Unwittingly drawn to the beauty who can read his thoughts and heart like no one ever has, Santos realizes she is his Destined Mate. And with the threat of her imminent extinction ticking like a time bomb, Santos suddenly has something worth dying and worth living for.
