"Those of you who follow this blog know that Dr. Richard Zakia, former RIT professor, is one of my all time favorite photo gurus. We send each other pictures. We talk about looking into pictures - and not just looking at them. Big difference.. Dr. Richard Zakia, a.k.a. Dick, is the co-author, along with David Page, of Photographic Composition: A Visual Guide. These two dudes are also two of my favorite people."---Rick Sammon's blog "Covers all the tips needed to help photographers construct their own unique, outstanding images and is an outstanding 'must' for any collection."--CA BookwatchAuthor: Zakia, Richard D.
