Sell Annuity Do you have annuity you dont want? Discover When is it Time to Sell Your Annuity? Never Before Revealed Information! Dear Friend, What can I do? Where can I get the money I need? I have an annuity, but I dont know that I can sell it. Is there a good time to sell my annuity? I already have a home improvement loan, but it was used before the roof needed replacing. I dont know if I can get another loan. I just dont know where else to get the money. If the insurance company had been able to cover a bigger chunk of the cost of replacing the roof the wind ripped off, but they didnt. Now if I dont replace that roof before it rains we will have buckets for the water sitting all over the house. I think there is a whole in the roof just above our bed. We cant sleep with a bucket in the middle of their bed! Can I sell my annuity? The person who sold it to me made it sound like I would be stuck with it for life. How can I find out for sure? You are going to need help selling that annuity. Do you even know how to start? What information do you need to know? Do you know if there are other options other than selling your annuity to help you out? Your annuity could help you get the extra money you need to fix that roof or pay for medical emergencies. How much do you know about your annuity? You read the contract, but are there still things you dont know about annuities. Do you know how to sell your annuity? You might want to know what not to do when you are selling your annuity. There maybe tips on how to sell your annuity. Annuities are just for saving money for our retirement, right? I dont want to give up the security. We might need that money

later on when we get older. I know we cant live on what Social Security will send us. Not the way prices are today. This is not helping me get the money for the roof. So I will have to worry about our future later because the roof needs fixing now. So you have decided, you are going to sell your annuity. You seem to be out of other options. How hard is it to sell an annuity? So where do you have to go to learn what you need to know about selling your annuity? Does the library have a book? Is there something I can read like a brochure? You need to know some tips on what to do and not to do when selling your annuity. You will need to know if you have other options. You will need to know what to expect when you sell your annuity. What kind of people will buy your annuity? It would be nice if we had all the answer to the questions we have. If we could just have that information filed in your desk for you to access it when you need it. You know you can do this, but you have never done this before so you would prefer knowing something before you got out there and make a fool of yourself. No one likes looking like a fool. What if I told you, you could find the information you need all in one place? Of course you would say, well, let me see it, right? You will be able to find all the answers to your questions.
