Kim is in his last year of high school and just hopes to make it through the year without running into any gay bashing. The thing is, Kim is not only gay, but he's transgender, too. He's unhappy and lost in his female body, and his mother has agreed it's time for him to undergo hormone therapy and possibly surgery. Things get even more complicated when university student Dash joins Kim's mother's coven. Dash is immediately attracted to Kim and they wind up going out together, but when Kim reveals he's a female to male transgender, Dash reacts badly. With all the other things going on in their lives, will Kim and Dash be able to try again and find happiness with each other?
