## Delicate Internal Roomtone Ambience (sfx Sound Effect Wav)

## **DOWNLOAD HERE**

This sound effect is a stereo recording of peaceful roomtone recorded in a quiet room. You can hear birds singing outside. All files on sale by Sevenleaf SFX have been recorded by professionals and as such are royalty free. They are available for you to download as 16 bit 48kHz stereo wav files. Previews are low quality mp3 files with security watermark beeps. Purchased files are broadcast quality wavs without watermarking.
