Digital Scrapbook Collection Stop Destroying Your Precious Photos And Still Preserve Your Special Memories Think it's impossible? Think Again! Introducing an All New Unique Template Collection That Helps You Create Stunning Scrapbook Pages With Very Little Work, And Absolutely NO Cutting Necessary!! How can this be done? Digitally of course! Digital Scrapbooking is gaining popularity rapidly throughout online scrapbooking communities. Unfortunately, digital scrapbooking supplies are few and far between. This template collection will change that, and F - A - S - T ! Practically everything you do to compile a physical scrapbook can be done virtually. It's true! As a matter of fact, creating a digital scrapbook has certain advantages over the traditional method. 1. You can search for every tool you might need right from the comfort of your own home without ever having to leave the house. 2. It helps reduce the physical clutter scattered about your home since everything can be contained in one place, your computer! 3. No longer have a time consuming mess to clean up after your finished working. 4. Create lovely scrapbooks in half the time it would normally take you, and expand your collections infinitely without worrying about running out of room. 5. Share your photo collections in an unforgetable way with your family members both far and near by putting them online quickly. Plus More! Even if you've never before tried to put together a scrapbook, these templates will make it so easy, you'll want to again and again! All you need is a computer, a .psd file compatible image editor, digital versions of your photos, and away you go. This exciting collection contains 10 different templates to choose from, all of them uniquely styled. Take a look at these screen shots to see just what they look like. *Images Show Templates At A Reduced Size And Don't Show The True Quality Realizing that just these templates alone, although

fantastic, aren't quite enough to create something that is unique to your style, you will also receive some extra included tools. All The Fonts Used In The Templates - FREE Extra Set of PS Brushes To Create Unique Designs - FREE Collection of Seamless Original Backgrounds - FREE With everything included, you could be creating digital scrapbooks in no time flat! And you'll be creating something that has never been seen before anywhere else by using just a few of the free extras included. While just getting everything listed above would be an outstanding value, here's something that will make this collection even more valuable to you. 10 Uniquely Designed Scrapbook HTML Templates with their .PSD files for simplified editing Every Single Font Used In Each of The Templates Original PS Brush Set To Make Your Designs Stand Out Collection of Seamless Backgrounds Made Just For Scrapbooking.
