

Kink It Up - M.a. Ellis

Kelsey and Smith have allowed life to get in the way of romance. Career changes for her, more work responsibilities for him and staggered work hours for both are taking their toll. When the disconnect becomes too much, headstrong Kelsey confronts her husband with the perfect solution-kink it up. Smith quickly learns his wife isn't talking silk scarves and spankings. She's thinking more like wrist cuffs and nipple clamps. No matter her fantasy, he wants it to be perfect. And if that means an in-home tutorial with an old friend-and local Dom-he's up for the challenge. Never one to drag her feet, Kelsey makes her own plans to spice things up, only to find them derailed in the hottest way, yawning awake one minute and bound to her vintage ottoman the next. But when the smoldering heat clears from their light foray into bondage, will Smith and Kelsey regain their intimacy or will the kink factor form a rift they aren't likely to overcome?
