ELECTRONIC: House, ELECTRONIC: Glitch Show all album songs: Ghost in the System Songs Details:  
I'm pleased to present my third release Ghost in the System for your distinct listening pleasure. Over all,  
this music has a supernatural appeal that lends itself nicely to dance floor entertainment. No doubt  
unique, I believe you'll find this disc to be one of the most refreshing creations of House music abroad. I  
construct this music to satisfy everyone from the arm-chair explorers to the night club crowds.
