

## Mp3 B.r.m(back Road Ministry) - Hoodlum Rock

[DOWNLOAD HERE](#)

backroad ministry uses old school hip hop production techniques along with overdrive guitar and jazz, creating the nasty new sound known as hoodlum rock hip hop 14 MP3 Songs URBAN/R&B: R&B Pop Crossover, HIP HOP/RAP: Alternative Hip Hop Details: Backroad Ministry, are the creators of a new form of hip hop, called hoodlum rock. The group was founded in 1994 by mah(maq) the programmer in tuskegee alabama. Mah(maq) has been producing for 11 years now and has always been one to step away from the norm. This is the groups first attempt to go mainstream, backroad ministry wants its fans to know that they arent like artist today. They refuse to be the puppets of big time record execs. They are and will always say what they damn well want to say. Backroad claims no city, they represent america, everything that is good and bad about it. The group consist of mah(maq) the programmer aka kid flash, and chemicalized. Together as they recruit more members, they plan to scare the hell out of the industry, by any means necessary, as well as republican scum bags and poverty pimps(the wealthy).
