When Robots take over the Earth, they'll be listening to brokeNdomer. 10 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, ELECTRONIC: Experimental Details: The future is a strange, frightening, and exciting. Trust us, we came from it. This whole 21st Century thing is pretty cool and all, but wait till you get your first pair of stun-glasses, aero-pants, and hover sandals. The future is much more stylish. Anyway, we programmed our droids to hold down the blibsocks in our absence and are enjoying a little sonic vacation in your century. We brought a copy of our first album 'DoYouCopy?' with us as a preview. In the future we have like 20 albums after this one, but this release was the only one available in the outdated CD format and transfer from PABL format would have been painstaking indeed! HAHAHA! So we're gonna be around till our timeport expires. We hope you enjoy our music. visit our webspace!!
