If Americana met Rock and mixed in a little Pop then was sprinkled with a bit of Country you'd get What Drives You. Foot-tapping rockers, story songs, and ballads. Something for everyone on this San Francisco singer/songwriter's first effort. 12 MP3 Songs in this album (47:13) ! Related styles: COUNTRY: Americana, ROCK: Adult Alternative Pop/Rock People who are interested in Don Henley Rodney Crowell Keith Urban should consider this download. Details: "Where do we find heroes without weaknesses?" sings Chris Donohoe on The Answers, an introspective track recollecting memories of his father from his new album, WHAT DRIVES YOU. Chris explores father/son relationships on a few tracks on this album but WHAT DRIVES YOU covers a broad spectrum of musical influences and inspiration. Donohoe aims not only for honest and soulful expression but also for an unabashed rock and roll approach as on the tracks "Damn You Radio" and "The Kind of Hold". From the thought provoking lyricism of the opening song Boxes And Blankets and the heartfelt story of Across His Back to the energetic and aggressive sonic landscape of the title song, Chris Donohoe offers the listener the passionate and emotional sounds of an artist striving for authenticity.
