Ornate, soulful classical guitar, combined with motion picture like original compositions. Intelligent music that communicates. 11 MP3 Songs CLASSICAL: Contemporary, NEW AGE: New Age Details: David Malmberg is a classical guitarist, and composer. He is a disciple of Dona America Martinez Serrano, Doctor of guitar at the Conservatory of Music, Seville, Spain. Dona Martinez was a student of Daniel Fortea, Emilio Pujol and Sainz De La Maza, icons of the classical guitar. David has benefited from this rich legacy having it's direct origins with the Father of the modern classical guitar, Francisco Tarrega. With a vast repertoire at his disposal, David's music integrates many styles including classical, jazz, and other contemporary musical idioms. Music that is always refined, always exquisite, always excellent.
