Shimmering songs steeped in pop folk rock with dynamic vocals and poignant lyrics. 8 MP3 Songs POP: Folky Pop, FOLK: Folk Pop Details: Eric Erskine immediately eases the soul into his calming sea of music. Combining elements of pop, folk and rock, Eric delivers songs that can elicit emotions, provoke the mind, or just relax the body. With a unique vocal and writing style Eric takes the listener on a musical journey with varied but integrated themes and musical styles. An early connection to music, lyrics and performance led Eric down a musical path at a young age. Studying both guitar and voice gave him the tools to pursue his passion for writing and singing. Music grounds his life whether it be working in the recording studio or performing in front of an audience. Paying his dues touring nationally for many years, Eric settled back in New Hampshire and into songwriting. In early 1997 Eric began working with acclaimed musician, singer/songwriter and producer Tom Dean. From the very beginning it was apparent that Deans production style was a perfect fit for Erskines songwriting. With Toms guidance Eric progressed both as a songwriter and musician. Their efforts would come to fruition with the release of Erics highly anticipated November CD in 2000. Over the past eight years Erskine has teamed up with Dean to release 3 more albums. Still Life and Digital Age received rave reviews and helped Eric stand out as a singer/songwriter. His latest CD Thinking Out Loud was released in late 2007. Digital Age By Tom Dean On Eric's third full length CD "Digital Age" he once again uses the recording studio to surround his mature and beautiful songwriting with haunting rhythms and timeless instrumental beauty. Eric's high tenor shines throughout and separates him from the pack as a truly unique artist. People who are interested in should consider this download.
