

Mp3 Jackie Lyfe - Nuclear Burn

[DOWNLOAD HERE](#)

A pure blend of Rock, Funk with an R&B twist. It packs creative melodies and vocals, combined with a vibrant tonal and rhythmic quality, and has a dynamic crossover-commercial appeal. 9 MP3 Songs ROCK: Funk Rock, URBAN/R&B: R&B Pop Crossover Details: A creative and versatile artist, Jackie has developed a reputation up and down the eastern seaboard for a distinctive combination of visual image and original music. He is now on the West Coast, and is working his way into the music scene there. Jackie Lyfe is a talented music producer and singer/songwriter who creates a new and exciting product. Jackie is a new bloodline of music. His sound is an intriguing combination of rock, funk, with a little added rhythm and blues. His versatile producing spans many styles and moods. With a range from modular ballads to the upbeat pop/rock sound, Jackie has achieved recognition for composing and performing, as well as dynamic commercial appeal. At a very tender age, he opened for groups such as Ready For the World, The Gap Band, and Egyptian Lover. Then emerging on the southeastern college and club circuit, Jackie gained performing experience with such groups as RAPTURE, ROTORIOUS. As keyboardist for the group Rotorious, they received airtime on local Alabama radio stations with their release of "Psychedelic World". His success included opening for Joan Rivers in a Hollywood appearance at Carlos Charley's. Jackie didn't stop there. He went on to sing in the great Andr Crouch's Gospel Choir, and participated in "The Book" campaign with him. He had the honor of singing on the commercial, and appearing in it featuring greats such as Shirley Caesar, Smokey Robinson, Chaka Kahn, and M.C. Hammer, to name a few. Jackie is now venturing into the world of soundtrack work. He collaborated recently with Thea, to compose and sing a complete soundtrack for a feature documentary, "For the Love of It", as well as scored and placed songs on "Only in Hollywood". He has sung on and placed songs in several other films. Jackie continues to record his original work, and currently has copyrighted nearly 120

songs. Jackie Lyfe provides original and creative keyboard melodies and vocals, combining all his influences to provide a vibrant tonal and rhythmic quality to his work. His various abilities include writing, producing, and arranging original music, and he has won multiple talent shows over the years with his singing ability. Jackie is a lyricist as well as a musician, and he draws his ideas from his life experience, hence the name Jackie Lyfe.
