"All my life I have been able to look back and track things that show me I was created to worship God." Since she was eleven years old, Jeri has been singing for the Lord. However, it is her love for God pouring out through her lyrics that invites the glory of God to fall. Jeri desires to bring her listeners into a place of intimacy with the Lord through her music. As a vocalist, Jeri has a pureness and clarity in her voice that moves the heart of her listeners. Jeri captivates with songs of powerful worship and love of God, bridging the gap between generations. Jeri wants the world to know that "the Kingdom of God is a fun place to be!" and all are invited.
