This CD by Joe McDermott either tugs at the hearts strings or whacks the funny bone. Kids will love the humor but Mom will love the sentiment. 10 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: General Children's Music Details: While completing a fine arts degree at the University of Texas, Joe McDermott fell in love with the live music scene of Austin. After graduation Joe quickly made a name for himself as the premier songwriter and performer for the school-aged set. For ten years, he played his music in Austin while raising his family. Now he travels from Texas to Toronto! Regarding his career, Joe recently said, Its nice to be praised for my music, but my favorite experience is with my guitar before children. I neve rcan predict the magic that will unfold
