The style of the songs is a diverse influence of praise and worship, Christian contemporary and jazz..., Strong harmonies, soft and sweet vocals, beautiful violin and piano sounds, heartfelt lyrics, very inspiring and deep for worshiping and praying. 12 MP3 Songs GOSPEL: Contemporary Gospel, JAZZ: Smooth Jazz Details: STATEMENT OF FAITH "JESUS, HAVE YOUR WAY", a music project, its purpose is to send out the message of Love. All of the songs were written through the inspiration of the Holy Spirit and during the times of praise, the times of being alone with Him, and the hard times that I went through in my Christian walk. "JESUS, HAVE YOUR WAY" is dedicated for evangelism and my mission trips each year, both in and outside of the United State. All the funds go straight to those two purposes. "I believe true worship songs come from the hearts of worship; they come from the intimate relationship with our Lord Jesus Christ, our only reason to live and to die. He puts the songs in our hearts; we sing them back to Him." Kathlyn-Anh Vo MY BRIEF BIOGRAPHY I've got saved in 1997. The Lord has radically changed my life ever since. I love the Lord with all my heart, my mind, my soul and strength. He is my only hope and my only reason to live for. He's my joy and my salvation. I am an evangelist, the ambassador for the King. He calls me to do mission work since I gave my life to Him. It has always been my honor serving Him, witnessing for Him, and sharing His love to the people whom He died for. 1997-1999: My high school year, I served the Lord with local church. I went and knocked at people's doors everyday after school to tell them the love of Christ...:). 1999-2001: I went back and forth to Vietnam for mission trips. I worked with the orphanage village, the disable kids, local underground churches in Vietnam as well as local outreaches with City Team Ministry. 2002: I went with Good Samaritan Medical Ministry to Vietnam, giving free medical treatment to over 4000 people who were ill and in need. It was a very interesting trip. I almost went to jail for sharing my faith to a big group of people, giving them the salvation bracelets in front

of the officers who were holding guns around. Beside oversea mission trips, I went to local places talking to the homeless, the people who are in need mentally, physically and spiritually. I also worked with City Team Ministry doing outreaches. 2003: I went on a mission to Mexico with Cathedral Of Faith to build houses, schools for the orphanage, Rancho De Sus Ninos. We did outreaches in Tecate. It was a blast. 2004: Did local outreaches with City Team Ministry and ANC and Neighborhood Outreach Program. 2005: I had a chance to go with CYA, the college and young adult group of COF to the homeless shelter in Gilroy on my birthday to serve them. This summer, I'm heading to Vietnam for my next mission trip. I will work with evangelist Doug and Kim Paradise bringing the gospel to Vietnam, especially university students. 2006: Still praying! Most likely, I'm going to Africa with NCC. We will work with the university students there.
