Details: Kelly brings a fresh new voice to the Christian music scene, incorporating a diverse blend of funk, blues, jazz, and rock. Her ten original songs on this album range from joyous praise to deep soul seeking, while her unique arrangements of "Be Thou My Vision", "Nothing But the Blood of Jesus", and "You Are My All in All" bring new life to some old favorites. Kelly covers all the writing, arranging, vocal, and keyboard duties on this project. She also plays guitar on 4 tracks, including 5 acoustic guitar tracks on "Be Thou My Vision".

Other musicians on the recording include Detroit jazz and gospel veterans Christopher Jones, Rufus Harris, Gino Morgan, Marlin Baker (of Zamar - Instruments of Praise), and Jackson Baugh (of Kindred Nation). On the drums is the 16 year old prodigy, Phillip Baugh. This music is unique, eclectic, exciting, and thought provoking. This is what some people have said about the CD: "Your songs are straight for your soul and that comes across beautifully!" Laurie Augenbaugh, W. Bloomfield, MI "God has truly blessed you with a unique musical art." Daniel Konoff, Taylor, MI
