Lessons for the new Native American Style Flute Player. Memo guides you through the basics and a play-along at the conclusion of five excellent lessons. 6 MP3 Songs SPOKEN WORD: Educational, WORLD: Native American Details: Learning to Play the Native American Style Flute. "With this CD you will be able to play along with the lessons on your new flute. As the proverb says about a picture a sound is worth a thousand words. The CD gives demonstrations of the different scales and techniques that you will be using as you play your flute. Using this CD is almost like sitting down and learning to play with a live teacher. At the end of the CD there is a tune that you can play along with to further hone your developing musical skills. Most other introductory CDs and DVDs give only a brief starter lesson for the flute. I feel that in order to learn to play your flute proficiently you need a lot more help than this. The Playing the Native American Style Flute CD will carry you from your first tentative notes through advanced techniques that give variety and dynamic energy to your playing." -- John Stillwell, Ancient Territories Flutes People who are interested in R. Carlos Nakai Mary Youngblood Scott August should consider this download.
