Bio To day in our music world there is a lot of talented artist touching on all types of music, style and sound. Every since music has been around from the beginning there has always been artist that would stand out above rest and be know as a supper star selling millions of records across the world. What had helped them become who they are is why I present to you Todd C Clanton know has Silky. T. This young man was born on 8/17/1982 in riverside ca. Silk is a very talented artist bringing a new voice to the music world with a smooth R&B soul sound. Silk always had love for music since he was a kid and knew what he wanted in life. Kids his age at the time was out side playing being kids having fun running the neighborhood with no stress or worries. Silk always wanted a place he could call home. Silk didnt really have a normal child hood live. Growing up was a rough road at times he went through a lot of moving from house to house school to school and staying with people he really didnt want to. The only thing he had was his voice, pin, paper, and a couple of tapes of some of his favorite artist . If I had to describe silk in 1 word . He is a entertainer his show will take your breath away. To the way his smooth voice is to the way his emotion is on stage. Silk is a artist that makes you feel what he is singing. Silk is a typ of artist that can appeal to all ages. He has music for every one. Silk is a very talented song writer, writing about life, love, relationships and the ups downs, the happy moments to the heart brake moments. Silk has tour all around the west coast blessing a lot of clubs, schools, with the sounds of his voice. He has don a lot of openings for a lot of big names that sold millions across the globe . Silky. t is on a mission to spread

his music to the world touch the hearts of millions millions so open your mind and heart to this knew  
supper star on the rise and let your soul be touch by silky and let the T take you on a emotional roller  
coaster soulful ride
