Soulful R/B 11 MP3 Songs URBAN/R&B: Rhythm Blues, URBAN/R&B: Soul Details: With the music scene lacking true inspirational love music, the group SMUV is a breath of fresh air. With the release of Grown Man, their third album to date, and first as a trio, these three talented brothers take us back to the future. Like a painter with a blank canvas, they take notes and develop them into melodies and smooth ballads. Seductive Music Unique Vocals (SMUV) is an exceptionally talented group of young men, SMUV's sound is a refreshing blend of gospel, ballads and dance music with a hint of hip-hop and (Go-Go) beats. It's no wonder that this group has been around for a while performing with the likes of Brian McKnight, Boys to Men, K-Ci and Jo Jo and Gerald Levert to name a few. This is truly the characterization of the multi-talented Trio, Seductive Music Unique Vocals (SMUV). When Ronald Lee Ward Jr., Frederick Alexander Simpson and Craig Troy Dobson, first came together they had no idea they would affect so many people around the world with their music. The group had major success in their career by winning multiple Radio Sponsored contests including the National Kemit Productions, the Coors Light National Show Case and a Finalist at the BET Sound Stage, Showcase. SMUV also had the 1 song in the eastern region on two occasions, Never Gonna Let You Down We Give Good Lovin. SMUV also earned rotation air play on other occasions. After two successful independent releases We Give Good Lovin and Special Lady, (Which Have been Digitally Re-Mastered to be Re-released) , loyal fans are anxiously awaiting the new album. The fellas, growing weary of waiting for the big break decided to go back in the studio to record another album just for the fun and the love of music, the trio decided to take their time and put their heart and soul into the R&B Classic Grown Man, Which is a combination of Love Ballads, Hard Hitting Go-Go tunes, as well as smooth Mid Tempos. SMUV can take credit writing producing and all vocal arrangements on all three albums. Ronald Lee Ward Jr. who is the lead writer and producer of the

group, credits SMUVs sound to the experience of everyday life as well as growing into young men, which cultivates into beautiful music. The group performs in church, for weddings and even larger venues to including Tacoma Station in Washington DC, Pier Six in Baltimore Maryland, Bohemian Cafe and S.O.Bs in NY. Their love of music is one of the motivational forces in these gentlemen's lives. When the group isn't in the studio recording or performing, they can be found encouraging other young people to believe in themselves and the importance of having a dream and doing what it takes to make it happen.
