Sound Capsule's music is a soothing blend of ambience, smooth melodies, titilating hooks and soft beats. Its composition is a combination of synthesizer music blended with sound snippits and loops introduced by contemporary dj mixing and sampling techniques. Collaborating for over two years, The Sound Capsule has been creating a deep chill sound that harks back to a time of ambience forgotten. Feauring the talents of Xan-X and DF Tram, two electronic music producers from the San Francisco Bay Area and the vocals of Maki and Momo Cheesey. Includes the acclaimed songs Mar Del Plata and Sweet Pastures. From bigchill- Mar del Plata is the sound of sunrise over the Pacific. Proper, old-school ambient music, where Momo's beautiful, wordless voice floats ethereally over layers after of gorgeous, melodic synth, keyboard and piano.
