Comedy/Rap 5 MP3 Songs HIP HOP/RAP: Rap, SPOKEN WORD: Comedy Details: The Toilet Joker band started in the spring of 2003. As Steve Von Drasek and Andrew Munch rode home in 8th grade on their school bus, they started writing a song that later turned into the catchy tune "push it". As the song became popular throughout their school, they kept writing more and soon had lyrics to 5 different songs. A year later during the summer, Toilet Jokers decided to record their songs on their computer and soon put them together on a CD entitled Mississippi Mud. Now they are releasing Mississippi Mud to the public in hopes of spreading their music around the nation. You can also look forward to their new CD that will be coming out soon cleverly called Launching Submarines. Check out the Toilet Jokers on WWW.MYSPACE.COM/TOILETJOKERSREALSITE
