Contemporary Gospel Details: What is Marpe? Marp is the Hebrew word for a cure, healing, deliverance, remedy, restoration Check out Malachi 4:2 I wrote the words to the songs on this CD at a time when I decided to finally take God at his word. This is my debut album and I am so excited to share it with you. The songs are the journey through which I have traveled and am still traveling. The words I have written have been Marpe to my soul, and I pray you decide to take the journey for yourself. So dont take it fore granted. Listen not only with your ears, but with your heart and your soul. Wanda began singing at a very young age and found this gift to be her passion. Deciding to sing unto the Lord came at a time when she was being offered her first R B record deal. While she waited patiently for the deal to close she prayed for strength and most of all, guidance to meet the challenges ahead. Her prayers were answered with a calling to share her gift of song and poetry through praise. So the story goes- a different path, a new deal, and one single purpose- To praise his name! Wanda Nash received classical vocal training from Harlems very own Dr. Chauncey Northern and later from Gail Hightower. Wanda is a former member of the World Famous Harlem Gospel Choir. With the choir, she was able to travel through the United States, as well as, various countries such as Japan, and Malta. Wanda has also had the opportunity to sing with Germanys own Queen Yahna in Berlin as well as Switzerland. Wanda is currently a Ministerial Assistant, Praise Team Leader and the Childrens Choir Director at Springfield Gardens United Methodist Church in Queens, New York. She has done some of her Theological studies at New York Theological Seminary.
