A-Z of Super-Effective Sales Pages Are you sick of spending a lot of money on a super-sleek website only to have nobody ever visit it? Perhaps you want to write your very first sales landing page and do it right the first time by learning the secrets of marketing pros! Either way you have found the right copywriting resource for you!

===== Launching your own product or service on the internet is not easy nowadays. It seems that everybody has their own website and trying to sell one thing or another.

===== In these rough economic times it also seems that every absolute beginner has the same idea - why not start my own

part-time online business to make a bit of extra money?! Of course if you already have an online product or service that you are trying to sell then you are well aware that this usually does not happen overnight and that you have a lot of competition out there that wants the bucks from the same people that you do! Has the following happened to you? -- You spend a lot of money on a glitzy website, read up on web 2.0, line up your auto responders and other doodads and do everything the big marketing gurus tell you to do in their \$97.00 How to Guides and in the end you sit there with no sales wondering what you are doing wrong. Of course when I am talking about myself and chances are you have had a similar experience. And if you have not had the above happen just yet because you are a newbie I predict that you will experience it unless you learn how to avoid it all by reading my new eBook
