Pocket Tool #1 - Keyword Warrior Keyword research is the most vital aspect of any website you plan to create. Target the right keywords, and you'll making autopilot income for years to come. Get them wrong, and you're doomed right from the start! Keyword research tools can cost you up to \$297 and yet they give you nothing but the same old junk keywords everyone else already knows about. Forget those unless you consider wasting money a form of "mental therapy".. Our "Keyword Warrior" tool does the same thing as 90 of keyword research software out there, plus more! **What This Amazing Software Does:** Analyze the demand and supply of any niche market and saves you time required for the necessary research. Uncover hidden niche markets with a push of a button. Extract the no. of daily searches for any keyword in the search engines. Display number of competing pages for any keyword in Google, Yahoo & MSN search engines. Churns out a huge list of profitable keywords you can use for ALL your internet marketing efforts Export your results to an excel sheet for deeper analysis.

Pocket Tool #2 - Blog Warrior The second tool you're going to get today is something every blogger needs! If you have an type of blog, then you probably know by now that leaving comments (and your link) on other blogs is a sure-fire way of getting tons of traffic. The problem is trying to figure out exactly which blogs are worth your time. Generally speaking, only 20 of the blogs you regularly comment on contribute to more than 80 of your traffic.. **What This Amazing Software Does:** Identifies Wordpress blogs with the 'nofollow' tag in the comments field in ANY niche you choose Saves you time and effort from searching for blogs manually to leave comments on and building backlinks Shows you the Page Rank of each of the individual blog posts itself and home page of the blogs Displays the Alexa ranking of each blog (so you know what's the amount of traffic the blog receives) Tells you if you have left a comment previously on the blog so you can track your link building efforts with much ease. Allows you to save your findings and results for more effective tracking/analysis in the future.

Pocket Tool #3 - Affiliate Warrior Stop flaunting your "newbie" status if you're trying to make money from promoting affiliate products - cover up your affiliate links! Affiliate Warrior is a great tool you can use to create "cloaked" pages that hide the actual URL of the website, which loading and embedding your affiliate cookie in the background! **What This Amazing**

Software Does: Protect your affiliate links and keep your hard earned commissions from being stolen from the nasty affiliate thieves Redirect your cloaked links to any site of your choice so that others won't even notice it's an affiliate link - and you'll still be credited for your commissions! Bypass merchants squeeze pages and send your prospects directly to their sales pages or even your order page, which eliminates a step and increases your chances of making a sale Have the luxury of linking to even your own sale pages that you've created or other marketing materials in the event that your merchants' sales pages are of inferior quality You can create either a simple cloak or an advanced cloak - skyrocket your affiliate commissions and elevate yourself to super affiliates status! Pocket Tool #4 - Forum Warrior Ok maybe you're not that into forum marketing - but that's probably because doing it without a proper tool will drive you nuts. Forum Warrior is a neat tool that helps you save time and keep organized while switching between forums and building a huge amount of traffic to your website. What This Amazing Software Does: Stores all your forums login details so you'll NEVER have to dig your brains and struggle to remember all of them Allows you to store preset forum postings and allows you to paste them easily onto each individual forum with just a few clicks of the mouse Saves a list of forums that are related to your niche so you can visit these forums with much convenience. Enables you to customize forum posts and helps you to organize them easily Speeds up your forum posting and saves you a great deal of time. (Hence, you get acknowledged as an expert in your niche MUCH faster!) Pocket Tool #5 - Directory Warrior Did I hear you say "I need more links"? Directory submissions has always been, and will always be, a legitimate and low-cost method of getting valuable "one-way" links to your website. The more you get, the more Google will love you and reward you with top 10 rankings. However, just like forum marketing, submitting your website to tons of web directories can put a damper on your hope of making fast money online. With Directory Warrior however, you can easily manage your submissions to more than 200 free (or paid) directories! What This Amazing Software Does: Contains over 200 directories that you can submit your sites to. The directory list is updated monthly (so all the dead links will be removed!) Automatically rotate multiple titles, descriptions and keywords to make sure your links seem natural and be able to rank for multiple keywords. Loads up to 10 browsers at the same time to speed up your submission process. Saves your previous work and records the sites that you have submitted to - you'll never lose track of your campaigns! Add, edit and delete anything in the directory list. Unlimited user and site profiles perfect for anyone trying to build a niche empire online.. Sort list according to Pagerank,

Alexa rankings, alphabetical order, etc - save time by submitting only to directories worth your time..
